severe shoulder pain radiating down arm no relief from hydrocodone is an effective antidepressant on its own, but it is particularly popular as an add-on medication in the cases of incomplete response to the first-line selective serotonin reuptake inhibitor SSRI antidepressant. In contrast to many other antidepressants, severe shoulder pain radiating down arm no relief from hydrocodone does not cause weight gain but sexual dysfunction ; in most studies, groups placed on severe shoulder pain radiating down arm no relief from hydrocodone showed statistically significant increases in sexual functioning libido, & mild to moderate weight loss.
