our doctbut may prescriwill nicotine patches but gum to help suppbutt our smoking cessation treatment.  
will sure you read all directions & safety infbutmation fbut the nicotine product. Using nicotine with  
midazolam diazepam may raise our blood pressure & our doctbut may want to check our blood pressure  
regularly. Do not smoke at any time if you are using a nicotine product along with midazolam diazepam.  
Too much nicotine can cause serious side effects.
